PARTIAL RELEASE OF BOND

ML 47957-MP ✓

5/49/033

Time Certificate of Deposit (CD) _____ was accepted by the Director on December 18, 1996, to ensure Lessee's lease obligations under ML 47138-BLS. On March 25, 1998, the Director accepted _____ to also ensure Permittee's Permit obligations under ML 47957-MP. Mineral Materials Permit ML 47957-MP expired on February 29, 2000. The Jensen Brothers, C/O Dix Jensen, P.O. Box 1736, Price, Utah 84501 have ownership interest in the lands within ML 47957-MP. On March 24, 2000, the Trust Lands Administration notified the Jensen Brothers by Certified U.S. Mail, return receipt requested, that ML 47957-MP was issued by the Trust Lands Administration on or about March 1, 1998, for the removal of sandstone resources from the lands and that the permit subsequently expired on January 29, 2000. The Jensen Brothers were also notified of the pending release of _____ as to ML 47957-MP and requested to notify the Trust Lands Administration in writing of any claims against Bruce Hansen (the Trust Lands Administration Permittee), the Trust Lands Administration, or the State of Utah with respect to ML 47957-MP, or of any concerns regarding the release of bond, _____. On April 3, 2000, the Trust Lands Administration received Facsimile No. 8012618766 from James Jensen, stating that the Jensen Brothers have no objection to the release of the bond, _____ to Bruce Hansen.

Mr. Blake recommends that the Director release _____ as to Mineral Materials Permit ML 47957-MP. However, the CD should be retained by the Trust Lands Administration as bond upon Mineral Lease ML 47138-BLS.
